

# **SSA** Join the Association

Any person 21 years of age or older is eligible to become a member of the Susquehanna Speakers Association. To be approved, a talk must:

1. be on a topic which will have general audience appeal
2. be approximately 30 minutes in length
3. be free from self-promotion and/or advertisement of a business venture of any type
4. not be for the purpose of soliciting funds or support for any individual, group or organization (an exception may be made for not-for-profit entities)

Exceptions to the above qualifications must have the unanimous approval of the members of the Executive Committee of the Association. Each potential speaker shall deliver their proposed speech before a scheduled audition session. Each speech must then be approved by the Association officers in attendance. In an effort to keep Association offerings current and of interest to prospective audiences, any member who has not delivered at least one Association speech to a legitimate audience over a period of two consecutive years shall not be listed in the next publication of approved speeches, and shall be removed from the Association's website unless a new talk has been approved by the Executive Committee.

To schedule an audition contact:
